

CATEGORY	Secure Holdalls	
PRODUCT NAME	Versapak Food Delivery Backpack	
PRODUCT CODE	FDB2	
DESCRIPTION	Versapak's food delivery transport backpack is used worldwide for the delivery of groceries or meals to the home. This backpack is used widely in place of the Food Delivery Carrier as its easier for those riding bicycles or motorcycles thanks to the comfortable straps. Once closed, it is sealed using one of our tamper evident security seals. If the seal is broken when the carrier reaches its destination the recipient can see that the security has been compromised.
